

ENDOSCOPY INTEREST GROUP MEETING

Endo-Hepatology - a new dimension

Saturday 21st June 2025

Gautrain Radison Blu, Johannesburg

08:30 - 14:30

In partnership with:

Gastroenterology Foundation of Sub-Saharan Africa Endoscopy Interest Group Meeting

Saturday 21st June 2025

Gautrain Radison Blu, Johannesburg

The Gastro Foundation held a second successful Endoscopy meeting on Saturday 21 June 2025. It was hosted at Radisson Gautrain in Sandton - a central destination for Johannesburg and surrounds and there was a great turnout from delegates and good support from trade.

The meeting combined endoscopy and hepatology subspecialties and we are looking forward to hosting further meetings on these topics and the interest and the meeting was well received.
